Dear Mr Shepherd

**RE: NUFC Mismanagement**

I the undersigned, write to you regarding the current state of my football club.

After 10 years of your leadership we now find ourselves not only going backwards on the pitch but also off it.

The club you inherited from Sir John Hall was 2<sup>nd</sup> in the Premiership and one of the richest clubs in world football. Today this club is a mere shadow of the club you were trusted to take forwards and you have failed miserably from your first day as Chairman.

We feel that if you were the Newcastle supporter that you claim to be then you would resign and appoint someone who was capable of doing the job you are so clearly not.

Your errors of judgement have been too many to list so to say that your leadership has been truly reckless, embarrassing, directionless, fruitless and at times criminally inept is an understatement.

I would like to take this opportunity to register my vote of no confidence in you as chairman, many others will do this through non-renewal of season tickets, many will refuse to use the club shop in a hope that a loss of revenue will hurt you as much as the state of the club under your guidance has hurt us.

Yours faithfully
